November 27, 2017

The Mayor and Board of Commissioners met in their regular monthly meeting on Monday, November 27, 2017 at 5 pm at City Hall.

Mayor Lowe reviewed the agenda for December 4, 2017. Ordinances Nos. 954 and 955 are on for action. City Planner Scott Wilson reviewed Ordinance No. 955 to update the setbacks on TND zoning. The Beer Board will review a request from Heath Hawkins for a 6-month extension for the yet-unopened Eclipse Bar & Grill, an on-premises application for the new location of Vittorino's Cucina on Main Street, and an off-premises permit for the new owner at 750 New Hwy 68.

Chief Byrum also noted that he would prefer the board consider a change to the code to require board review for street closure requests lasting multiple days for demolitions like the one currently underway by the owner of the Wright Hardware building. The board agreed to review a recommendation from the Planning Office on a revision to the demolition permit with a corresponding ordinance.

No action was taken. The workshop was adjourned at 5:25 p.m.

This the 27<sup>th</sup> day of November, 2017.
