### Selection Criteria

The festival strives to provide its Guests with the most variety, uniqueness, and value in the southeast throughout the festival. Our Food Vendor selections reflect this goal as well. We also give consideration to factors that will maximize your potential for profits including limiting the number of vendors selling like products, matching your price points to our audience, and others. We encourage nurseries and those selling agriculture products to apply. We will not limit the number of agricultural products in order to promote the theme of the festival. The first 5 nurseries or herb/flower vendors will be given a discounted space in a prime spot for \$10. We will not accept home improvement direct sale or information only/political party or candidates with information only type vendors.

Vendors who have participated in prior festivals and meet all festival criteria will be given priority consideration. The remaining spaces will be filled based on a variety of criteria including variety and uniqueness of menu, quality of presentation and food, experience with large events, and value. The Vendor Coordinator will determine which vendors best meet the needs of the festival, **which may include the behavior and attitude of the vendor**. Decisions of the Vendor Coordinator are final, but feedback may be submitted to [smpoatn@gmail.com](mailto:smpoatn@gmail.com).

### Location and Placement

Each vendor space will be in downtown Sweetwater, along Main Street, at the Duck Park or Depot, Main Street Marketplace, or other open spaces in the downtown area.

You will be notified of the area you have been selected for in your acceptance letter.

### Fees

The Fee is \$75.00 per space. Artisans and crafters fee is \$50 per space. Non-profit groups with a 501 (c) 3 status or local presence of at least 3 years have a reduced rate of \$25.00 if they choose to be in the designated Non-profit area. If they request a space outside of the non-profit area, the full \$75 fee will be required. Agricultural products (Apples, flowers, herbs, etc) have booth fees available at \$25.00. Non-power spaces are available for \$50. Space is limited, and a limited number of non-profit and agricultural booths will be allowed. The fee for each space includes the following:

- Vendor space
- Electricity (except non-power spaces)
- Trash Fee
- Sweetwater City Vendor Fee (Does not include health department certification)

No refunds will be issued unless the festival is cancelled. Your space will not be reserved until payment is received.

## **Estimated attendance:**

**2021 :10,000**

**2022: 16,000**

**2023: 23,000**

**2024: 23,000**

## **Menu Choices & Sales Items**

On your application, please fill out your top three menu choices (including additional items you would like to serve in case of cold weather). Please choose unique items that have less chance for duplication. We will do our best to give selected vendors their first choice, but cannot guarantee they will receive it. We do not want numerous duplications of product at the festival since it is not in the vendors best interests for profit and not in the Guests best interest for variety, but we will duplicate some items in order to meet crowd demands. Very unique items have always been the subject of special stories with our local news media. This is a great way to get the word out about your product. You are encouraged to be creative with your menu and sales items.

Once the festival has approved items, there are to be no substitutes or changes in products. Changes or substitutes may void the vendor agreement with SMPOA and violations will result in dismissal from the festival as well as forfeiture of all vendor fees.

## **Quality and Presentation**

- We ask that you send a photo of your booth set up. The look of your booth and your unique menu is important to us and is a major factor in our selection process.
- All signs must be clean, professional and in good taste.
- All prices must be marked prior to inspection and at all times during the event.
- Uniforms, language, and gestures of staff as well as booth displays and signage must be suitable to a family-oriented event. Inappropriate content or conduct in any booth will result in dismissal.
- NO ALCOHOL OR TOBACCO PRODUCT OR THE USE OF ANY OF THESE IS PERMITTED AT ANYTIME IN YOUR BOOTH.

## **Operating Hours**

Required operating hours are 12 pm to 8 pm on Friday and Saturday 10 a.m. to 7 p.m. You may sell outside these hours if desired. If all spaces are not sold, we may permit vendors to sell Saturday only, but you must get permission from the vendor coordinator. Activities in downtown Sweetwater will begin at noon on Friday and include live music and the preparation for the BBQ contest. Your vendor fee includes Friday & Saturday if you wish to utilize all days. We would also encourage you to check out our year-round open-air market the "Main Street Marketplace" on facebook, which hosts outdoor vendors and is available by calling city hall or registering online at [sweetwatertn.gov](http://sweetwatertn.gov).
